**Notes:**

1. In view of existing Covid-19 Pandemic and in accordance with General Circular No. 20/2020 dated 05th May, 2020 issued by Ministry of Corporate Affairs read with Circulars dated 08th April, 2020 and 13th April, 2020 and Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 issued by the SEBI (hereinafter collectively referred to as "the Circulars"), Companies are allowed to hold AGM through VC, without the physical presence of Members at a common venue. Hence, in compliance with the Circulars, the AGM of the Company is being held through VC.
2. The Members are requested to note that the facility for attending the AGM through Video Conferencing shall be kept open from 10 a.m. i.e. at least 30 minutes before the

commencement of the meeting and 15 minutes post the conclusion of the Meeting. All the Members who join the video conferencing portal during this time shall be considered for the purpose of quorum at the meeting.

3. A Member Entitled to Attend and Vote at The Meeting of The Company is Entitled To Appoint Another Person As Proxy/ Proxies To Attend And Vote At The Meeting (On The Calling Of A Poll Only) Instead Of Himself/ Herself And The Proxy Need Not Be A Member Of The Company. Since the AGM is being held in accordance with the Circulars through VC, the facility for appointment of proxies by the Members will not be available.
4. Pursuant to the provisions of Section 91 of the Companies Act, 2013, the Register of Members and Share Transfer Registers of the Company will remain closed from December 24, 2020 to December 30, 2020..
5. In accordance with the Directions issued by the Ministry of Corporate Affairs, the Meeting has a capacity to host atleast 1000 Members on a First-Come, First-Serve basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the EGM/AGM without restriction on account of first come first served basis. The participants are allowed to pose their questions concurrently or they can submit the questions in advance on the email id [cs@kserasera.com](mailto:cs@kserasera.com)
6. In compliance with the aforesaid MCA Circulars and SEBI Circular dated May 12, 2020, Notice of the AGM along with the Annual Report of 2019-20 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/ Depositories. Members may note that the Notice and Annual Report of 2019-20 of the Company circulated to the Members of the Company, will be made available on the Company's website [www.alkaindia.in](http://www.alkaindia.in), website of the Stock Exchange i.e. BSE Limited [www.bseindia.com](http://www.bseindia.com) and on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. [evoting@cdslindia.com](mailto:evoting@cdslindia.com). As a measure of economy, copies of the Annual Report will not be distributed at the Annual General Meeting.
7. Members holding shares in Dematerialized Form are requested to intimate all changes pertaining to their Bank details, National Electronic Clearing Service (NECS), Electronic Clearing Service (ECS), mandates, nominations, power of attorney, change of address, change of name, e-mail address, contact numbers, etc., to their Depository Participant (DP). Changes intimated to the DP will then be automatically reflected in the Company's records which will help the Company and the Company's Registrars and Transfer Agents, M/s. Big shares Services Private Limited to provide efficient and better services. Members holding shares in physical form are requested to intimate such changes to M/s. Big shares Services Private Limited
8. Members holding shares in physical form are requested to convert their holding to dematerialized form to eliminate all risks associated with physical shares and for ease of portfolio management. Members can contact the Company or M/s. Big shares Services Private Limited for assistance in this regard.
9. Members holding shares in physical form in identical order of names in more than one folio

are requested to send to the Company or M/s. Big shares Services Private Limited, the details of such folios together with the share certificates for consolidating their holding in one folio. A consolidated share certificate will be issued to such Members after making requisite changes..

10. In case of joint holders attending the meeting, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.
11. Transfer of Unclaimed/Unpaid amounts to the Investor Education and Protection Fund (IEPF), Pursuant to Sections 205A and 205C and other applicable provisions, if any, of the Companies Act, 1956 and Section 123 of Companies Act, 2013 all unclaimed/unpaid dividend, application money, debenture interest and interest on deposits as well as the principal amount of debentures and deposits, as applicable, remaining unclaimed/ unpaid for a period of seven years from the date they became due for payment, in relation to the Company have been transferred to the IEPF established by the Central Government. No claim shall lie against the Company for the amounts so transferred prior to 31st March, 2020, nor shall any payment be made in respect of such claim.
12. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of addresses is provided in the instructions for e-voting section which forms part of this Notice.
13. Authorised Representatives of Corporate Members and Representatives appointed in pursuance of Section 112 and Section 113 of the Companies Act, 2013 intending to attend the meeting are requested to send/present to the Company a Certified Copy of the Board Resolution/Authority Letter authorizing them to attend and vote on their behalf at the meeting in electronic mode to the following email address [cs@djcorp.in](mailto:cs@djcorp.in); if they have voted from individual tab and not uploaded same in the CDSL e-voting system for the scrutinizer's verification;
14. Member are requested to address all correspondences, including dividend matters, to the Registrar and Share Transfer Agents, M/s. Big shares Services Private Limited, 1st Floor | Bharat Tin Works Building Opp. Vasant Oasis Makwana Road ,Marol , Andheri East , Mumbai 400059, Maharashtra Tel.: 022 2851 5606, Email/ Investor Grievance E-mail: [joyv@bigshareonline.com](mailto:joyv@bigshareonline.com) Website: [www.bigshareonline.com](http://www.bigshareonline.com).
15. As per the provisions of Section 72 of the Companies Act, 2013 read with the rules made thereunder, facility for making nominations is available for Members, in respect of the shares held by them. Nomination forms can be obtained from the Registrar and Share Transfer Agents of the Company. Members are requested to submit these details to their DP in case the shares are held by them in electronic form, and to the RTA, M/s. Sharex dynamic (India) Private Limited, in case the shares are held in physical form.
16. Members seeking any information or clarifications on the Annual Report are requested to send in written, queries to the Company at least one week before the meeting to enable the Company
17. Since the AGM will be held through Video Conferencing, the Route Map is not annexed to this Notice.
18. In compliance with Section 108 of the Act, read with the corresponding rules, and Regulation

44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“the Listing Regulations”), the Company has provided a facility to its Members to exercise their votes electronically through the electronic voting (“e-voting”) facility provided by the Central Depository Services (India) Limited (CDSL). Members who have cast their votes by remote e-voting prior to the AGM may participate in the AGM but shall not be entitled to cast their votes again. The manner of voting remotely by Members holding shares in dematerialized mode, physical mode and for Members who have not registered their email addresses is provided in the instructions for e-voting section which forms part of this Notice.

The procedure and instructions for members for voting electronically are as under:

1. The E-Voting period begins on December 28 ,2020 at 9.00A.M.and ends on December 30,2020,at 5.00 P.M During this period the shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of December 23, 2020, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting there after.
2. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

**A. In case a Member receives an email from CDSL[for members whose email IDs are registered with the Company/Depository Participants(s)]:**

- (i) Open email and open PDF file viz; “remote e-voting.pdf” with your Client ID or Folio No. as password. The said PDF file contains your user ID and password/PIN for remote e-voting. Please note that the password is an initial password.
- (ii) Launch internet browser by typing the following URL: <https://www.evoting.cdsl.com/>
- (iii) Click on “Shareholder -Login”
- (iv) Click on “Shareholders” module.
- (v) Now enter your User ID
  - a) For CDSL: 16 digits beneficiary ID
  - b) For NSDL: 8 Character DP ID followed by 8 Digits Client ID
  - c) Shareholders holding shares in Physical Form should enter Folio Number registered with the Company.
- (vi) Next enter the Image Verification as displayed and Click on Login.
- (vii) If you are holding shares in demat form and had logged on to [www.evotingindia.com](http://www.evotingindia.com) and voted on an earlier e-voting of any company, then your existing password is to be used.
- (viii) If you are a first time user follow the steps given below:

	For Members holding shares in Demat Form and Physical Form
PAN	Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) • Members who have not updated their PAN

	with the Company/Depository Participant are requested to use the sequence number which is printed on Attendance Slip indicated in the PAN field or if the same is not updated, Member may send an e-mail to .. Big Share Services Private Limited at joyv@bishareonline.com
--	---

- (ix) After entering these details appropriately, click on “SUBMIT” tab.
- (x) Shareholders holding shares in physical form will then directly reach the Company selection screen. However, shareholders holding shares in demat form will now reach ‘Password Creation’ menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (xi) For shareholders holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (xii) Click on the EVSN for the relevant Alka India Limited on which you choose to vote.
- (xiii) On the voting page, you will see “RESOLUTIONDESCRIPTION” and against the same the option “YES/NO ”for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xiv) Click on the “RESOLUTIONS FILE LINK” if you wish to view the entire Resolution details.
- (xv) After selecting the resolution, you have decided to vote on, click on “SUBMIT”. A confirmation box will be displayed. If you wish to confirm your vote, click on “OK”, else to change your vote, click on “CANCEL” and accordingly modify your vote.
- (xvi) Once you “CONFIRM” your vote on the resolution, you will not be allowed to modify your vote.
- (xvii) You can also take a print of the votes cast by clicking on “Click here to print” option on the Voting page.
- (xviii) If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password and enter the details as prompted by the system.
- (xix) Shareholders can also cast their vote using CDSL’s mobile app “**m-Voting**”. The m-Voting app can be downloaded from respective Store Please follow the instructions as prompted by the mobile app while Remote Voting on your mobile.

**B. In case a Member receives physical copy of the Notice of AGM[ for members whose email IDs are not registered with the Company/Depository Participants(s) or requesting physical copy]:**

- (i) For Physical shareholders - please provide necessary details like Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self attested) scanned copy of PAN card),AADHAR (self-attested scanned copy of Aadhar Card) by email to [cs@kserasera.com/joyv@bigshareonline.com](mailto:cs@kserasera.com/joyv@bigshareonline.com)

- (iii) The company/RTA shall co-ordinate with CDSL and provide the login credentials to the above mentioned shareholders.

**C. INSTRUCTIONS FOR SHAREHOLDERS ATTENDING THE AGM THROUGH VC ARE AS UNDER**

Shareholder will be provided with a facility to attend the AGM through VC/OAVM through the CDSL e-Voting system. Shareholders may access the same at <https://www.evotingindia.com>

- (i) Shareholder will be provided with a facility to attend the AGM through VC/OAVM through the CDSL e-Voting system. Shareholders may access the same at <https://www.evotingindia.com> under shareholders/Members login by using the remote e-voting credentials. The link for VC/OAVM will be available in shareholder/Members login where the EVSN of Company will be displayed.
- (ii) Shareholders are encouraged to join the Meeting through Laptops / IPads with latest internet browsers for better experience.
- (iii) Further shareholders will be required to allow Camera and use Internet with a good speed (ideally broadband connectivity-512 kbps or 2 mbps and above dedicated bandwidth) to avoid any disturbance during the meeting.
- (iv) Please note that Participants Connecting from Mobile Devices or Tablets or through Laptop connecting via Mobile Hotspot may experience Audio/Video loss due to Fluctuation in their respective network. It is therefore recommended to use Stable Wi-Fi or LAN Connection to mitigate any kind of aforesaid glitches.
- (v) Shareholders who would like to express their views/ask questions during the meeting may register themselves as a speaker by sending their request in advance at least 3 days prior to AGM mentioning their name, demat account number/folio number, email id, mobile number at [alkaindia@gmail.com](mailto:alkaindia@gmail.com) .The shareholders who do not wish to speak during the AGM but have queries may send their queries in advance 3 days prior to meeting mentioning their name, demat account number/folio number, email id, mobile number at [alkaindia@gmail.com](mailto:alkaindia@gmail.com). These queries will be replied to by the company suitably by email.

- (vi) Those shareholders who have registered themselves as a speaker will be allowed to express their views/ask questions during the meeting on a priority basis. The Company reserves the right to restrict the number of speakers depending on the availability of time at the AGM.
- (vii) The Shareholders who have not registered themselves can put the question on the chat box available on the screen at the time of the Meeting.

**D. INSTRUCTIONS FOR SHAREHOLDERS FOR E-VOTING DURING THE AGM ARE AS UNDER:-**

- (i) The procedure for e-Voting on the day of the AGM is same as the instructions mentioned above for Remote e-voting.
- (ii) Only those shareholders, who are present in the AGM through VC facility and have not casted their vote on the Resolutions through remote e-Voting and are otherwise not barred from doing so, shall be eligible to vote through e-Voting system available during the EGM/AGM.
- (iii) If any Votes are cast by the shareholders through the e-voting available during the AGM and if the same shareholders have not participated in the meeting through VC facility, then the votes cast by such shareholders shall be considered in valid as the facility of e-voting during the meeting is available only to the shareholders attending the meeting.
- (iv) Shareholders who have voted through Remote e-Voting will be eligible to attend the AGM. However, they will not be eligible to vote at the AGM.

**Note for Non - Individual Shareholders and Custodians**

- (i) Non-Individual shareholders (i.e. other than Individuals, HUF, and NRI etc.) and Custodians are required to log on to [www.evotingindia.com](http://www.evotingindia.com) and register themselves in the “Corporates” module.
- (ii) scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to [helpdesk.evotingcdslindia.com](mailto:helpdesk.evotingcdslindia.com)
- (iii) After receiving the login details a Compliance User should be created using the admin login and password The Compliance User would be able to link the account(s) for which they wish to vote on.
- (iv) The list of accounts linked in the login should be mailed to [helpdesk.evoting@cdslindia.com](mailto:helpdesk.evoting@cdslindia.com) and on approval of the accounts they would be able to cast their vote.
- (v) A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.

- (vi) Alternatively Non Individual shareholders are required to send the relevant Board Resolution/ Authority letter etc. together with attested specimen signature of the duly authorized signatory who are authorized to vote, to the Scrutinizer and to the Company at the email address viz [alkaindia@gmail.com](mailto:alkaindia@gmail.com), if they have voted from individual tab and not uploaded same in the CDSL e-voting system for the scrutinizer to verify the same

## **Annexure-B**

### **Brief profile of Directors seeking appointment/re-appointment at the 25th Annual General Meeting to be held on December 31, 2020**

1. Mr. Satish Panchariya, a man with excellent skills and leadership strength, is the Group Chairman of KSS Limited. He belongs to a Marwari business family that has an enriched business background. An entrepreneur with the vision to be one of the leading Business profiles from India at an early age of 17 years, his first step to the world of business was in the year 1989 in the textile industry.

Mr. Satish established a company Alka Spinners Ltd. in the year 1989 and achieved exorbitant achievements in a very short span of time. In the year 1993, the company was renamed as Alka Sales Pvt. Ltd. and later in the year 1994, it was listed at Bombay Stock Exchange as Alka India Ltd.

After having a successful contribution in the textile industry and listing the company in share markets, he started developing a firm interest in equities. He was blessed with Almighty's gift to learn new business structures in a very swift way. Adding to his milestones in business, he became a co-founder of the Vinayak Sahakari Bank in Ahmedabad. Mr. Panchariya belongs to a business family and they have a bank named Kuber Co-operative Bank in Ahmedabad. The royal family has a keen interest in Investment Banking and this is how Mr. Satish Panchariya developed the same interest.

Mr. Panchariya has achieved such great milestones that he has explicit contacts with listed corporate companies, business profiles and various other top profiles from the industry. With his amazing practical knowledge and a perfect god-gift of learning new things, Mr. Satish Panchariya has exclusive and all updated knowledge about Securities and Exchange Board of India (SEBI) laws, banking laws and pursues in-depth knowledge about Board for Industrial & Financial Reconstruction (BIFR) & Debt Recovery Laws. Not only this, Mr. Satish has even excelled himself with knowledge about Income Tax, Customs, Excise Laws and all the other important laws of Indian Judiciary. He always desires to do something big and has also achieved such commendable milestones.

Not only this, his global business reach has spread vast enough and currently is a Director at City Gold Group, Australia. City Gold is a leading Gold Mining Company based out at Charter Towers in North Eastern Australia. The Company has invested over \$190 million to develop the goldfield, has commenced extracting gold and plans to build up gold production from its underground mines in stages towards 320,000 ozs annually.

Mr. Satish is a very down-to-earth human with qualities such as an honest businessman, a motivating leader and a friendly counselor. He is a one man army who led his goals to glory at a very early age. His knowledge about corporate restructuring, mass psychology, IPOs and debt restructuring is also an outstanding achievement. His younger brother, Mr. Arun Panchariya, a delegate of Liberia is also a young business profile with whom Mr. Satish Panchariya shares his global reach by having offices in Dubai, Mauritius and London. Mr. Arun Panchariya is a businessman who has expanded his business reach not only across India but also across Europe, Middle East and Africa in the fields of trading, textiles, shipping, manufacturing and investment banking.

Adding up to one more milestone under his name, Mr. Satish Panchariya became a group chairman of the KSS Limited Group in the year 2012. He was selected as the Share Holder's Chairman for his excellent skills in business development. The KSS Limited group currently holds leading brands like K Sera Sera Digital Cinema Pvt. Ltd., K Sera Sera Miniplex Ltd., Birla Gold and Precious Metals Ltd. and Birla Jewels Ltd

2. Dharamveer Singh Shekhawat has a proven track record of building highly successful businesses, driving change, leading cross-cultural teams as well as conceptualising and integrating mergers & acquisitions., Over the years held several leadership positions, driving operational excellence and managing technological disruption. He was deeply involved in setting the group's transformation agenda and was instrumental in executing several strategic programs across various business units. Until recently, Mr. Dharamveer Singh Shekhawat was the Director of Oudh Finance and Investments Private Limited and a member of its Group Executive Board. He was earlier the Chief Executive of the Strategic Business Unit, and head of all Global Service Lines where he was responsible for charting the strategic direction, growth and expansion of these businesses. He also oversaw the group's operations. Widely travelled, Dharamveer Singh Shekhawat has lived in multiple countries across four continents in the past two decades.. Mr. Dharamveer Singh Shekhawat has a Bachelor's degree in Economy and Finance from Ahmedabad and a Masters in Law from Mumbai University.
3. Mr. Bhargav Ahir, is B. Tech. (Chem Engg.) from ahmedabad university and M.S. (Chemical Engg.) from University of Mumbai, . He is the Chairman of Assam Financial Corporation and the Member of following bodies: CII National Committee on SME, Pollution Control Board (Assam), Assam Institute of Management, Standing Committee on Employment Generation (Constituted by Govt. of Assam), Coordination Forum (constituted by Govt. of Assam under the Electricity Act, 2003), Board of Management, Centre for Management studies (Dibrugarh University), Study Committee on State Public Sector Enterprises (Constituted by the Govt. of Assam) and Director of Assam Industrial Development Corporation Ltd. Mr. Barooah has specialization in various areas such as chemical, management, advisory services etc. He also serves on the Board of several Companies.

## **ANNEXURE –II**

**FORM NO. MR-3**  
**SECRETARIAL AUDIT REPORT**  
**FOR THE FINANCIAL YEAR ENDED 31<sup>ST</sup> MARCH, 2020**  
[Pursuant to **Section 204(1)** of the **Companies Act, 2013** and **Rule No.9** of the  
**Companies (Appointment and Remuneration Personnel) Rules, 2014]**

To,  
The Members,  
**KSS Limited,**  
Unit No. 101A & 102, First Floor, Plot No. B-17,  
Morya Landmark II, Andheri (West), Mumbai – 400 053.

I have conducted the **Secretarial Audit** of the compliance of applicable statutory provisions and the adherence to good corporate practices by **KSS Limited (CIN: L22100MH1995PLC092438)** (hereinafter called the “Company”). **Secretarial Audit** was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company’s books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of **Secretarial Audit**, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on **31<sup>st</sup> March, 2020** complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter;

I have examined the books, papers, minute books, forms and returns filed and other records maintained by “the Company” for the financial year ended on **31<sup>st</sup> March, 2020** according to the provisions of;

- (i) The Companies Act, 2013 (the Act) and the rules made there under; - As per information and explanation given to me and documents provided for inspection, the Company has maintained minutes book, statutory registers as required by the Act. The Company has filed various E-Forms during the year as a part of Compliance with the Act. The requisite forms were filed with appropriate authority/(ies) as and when required. All the Related Party transactions were carried out at Arm’s Length Price.
- (ii) (The Securities Contracts (Regulation) Act, 1956 (‘SCRA’) and the rules made there under; - As per information provided the Company has complied with the stated rules.

- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under; - As the shares of the Company are listed on **BSE and NSE** as per compliance requirement the shares of the Company are in Demat Form except **5,66,56,500 shares** as on **March 2020** and Company complies with the depositories act. The **Registrar and Transfer Agent** of the Company is **Big Share Services Pvt. Ltd.**
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

As per information and explanation given, the Company does not have any transaction attracting FEMA provisions during the year.

The Company, having IEC number 0306007649, export rights of several films produced by them and/or for which, the distribution rights were purchased/ acquired by them in the past. By exporting distribution rights of the films in the territories abroad, KSS did import of various capital goods including 400 digital cinematographic projectors under EPCG Scheme – concessional rate of duty 3% with the proper compliances. Under EPCG Scheme Company have to export eight times (approx. 4500.00 lacs) of duty saved within eight years, but till date Company did not export under the said obligation and accordingly the Company had received notice from Custom Department for payment of dues of Rs. 15,33,67,556/- (approx.) under Section 142 of Customs Act 1962.

- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
  - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;- The Company has complied with the said SEBI Regulation by sending intimation letter to the Exchange of Promoter's and Non Promoter's holding in the Company.
  - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;- The notice for the closure of trading window was given to the persons identified to be possessing the price sensitive information.

The said regulations has Complied with as the insider trading notice is issued to the persons possessing price sensitive information before every Board or Members meeting and in case of any Corporate Action or announcements made to Stock Exchanges as the case may be. However there is a demand notice raised by SEBI in May, 2018 of Rs. 1,000,000/- under SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 and SEBI (Prohibition of Insider Trading) Regulations, 1992. Whereas the Company had filed appeal before the SAT and the matter is sub judice.

- (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;- The Company had converted 800 bonds into 56,48,873 equity shares in the year 2009 for which requisite forms were filed and intimations were given to the

regulators. The listing procedure for the said equity shares is in process, the said equity shares are pari-passu with existing equity shares of the Company.

- (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; Not Applicable
- (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; Not Applicable
- (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;- The **Bigshare Services Pvt. Ltd.** is **Registrar and Transfer Agent** of the Company and is compliant with the said regulations.
- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;- Not Applicable as the Company has not delisted any of its securities during the financial year under review.
- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;- Not applicable as the Company has not bought back any of its securities during the financial year under review.

I have also examined compliance with the applicable clauses of the following;

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.

As per information and explanation given by the company and it's officials during the period under review the secretarial standards were complied with as may be applicable.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. above except Delay in submission of Investor Grievance Report for period ended March 31, 2019 to BSE & NSE.

### **I further report that**

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, along with detailed agenda, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. Majority decision is carried through as there were no dissenting views by the members.

**I further report that** there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

## **MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

### **MACRO ECONOMIC ENVIRONMENT IN INDIA**

#### **Media and Entertainment Industry**

The Indian Media and Entertainment (M&E) industry is a sunrise sector for the economy and is making high growth strides. Proving its resilience to the world, the Indian M&E industry is on the cusp of a strong phase of growth, backed by rising consumer demand and improving advertising revenues. The industry has been largely driven by increasing digitization and higher internet usage over the last decade. Internet has almost become a mainstream media for entertainment for most of the people.

The Indian advertising industry is projected to be the second fastest growing advertising market in Asia after China. At present, advertising revenue accounts for around 0.38 per cent of India's gross domestic product.

#### **Recent development/Investments**

The media and entertainment industry in India is on the fast track to growth, according to a report by EY and FICCI (Federation of Indian Chambers of Commerce and Industry) released on Tuesday March 12<sup>th</sup>, 2020.

The report, 'A billion screens of opportunity', says the sector is poised to cross \$33.6 billion by 2021 at a compounded annual growth rate of 11.6%. The sector was worth \$23.9 billion in 2018, growing 13.4% from 2017.

The report said growth in the industry will be driven by digital media, which will overtake filmed entertainment in 2019 and print by 2021.

"India has the second highest number of Internet users after China with 570 million Internet subscribers growing at 13% annually. The report estimates that approximately 2.5 million consumers in India today are digital only and would not normally use traditional media. It is expected that this customer base will grow to 5 million by 2021".

Growth in digital consumption will spur media companies to innovate new monetisation avenues and service new customer segments. "Telco bundling will drive consumption for a majority of Indian OTT audience. Advertising growth outpaced subscription growth and is expected to comprise 52% of the total pie by 2021,".

India's TV industry grew from \$9.47 billion (₹66,000 crore) in 2017 to \$10.62 billion (₹74,000 crore) in 2018, registering a growth of 12%. TV advertising grew 14% to touch ₹30,500 crore while subscription grew 11% to ₹43,500 crore. There was a 7.5% rise in TV viewing households.

#### **Government Initiatives**

The Telecom Regulatory Authority of India (TRAI) is set to approach the Ministry of Information and Broadcasting, Government of India, with a request to fast track the recommendations on broadcasting, in an attempt to boost reforms in the broadcasting sector. The Government of India has agreed to set up the National Centre of Excellence for Animation, Gaming, Visual Effects and Comics industry in Mumbai. The Indian and Canadian Government have signed an audio visual co-production deal to enable producers from both the countries exchange and explore their culture and creativity, respectively.

The Government of India has supported Media and Entertainment industry's growth by taking various initiatives such as digitising the cable distribution sector to attract greater institutional funding, increasing FDI limit from 74 per cent to 100 per cent in cable and DTH satellite platforms, and granting industry status to the film industry for easy access to institutional finance.

### **Road Ahead**

The Indian Media and Entertainment industry is on an impressive growth path. The industry is expected to grow at a much faster rate than the global average rate.

Telecom Regulatory Authority of India (TRAI) plans to introduce a policy for broadcasting sector with a vision of 2020. The policy aims to usher a new era in the broadcasting sector where MRP of the TV channel will be declared by broadcasters directly to the consumers, and will bring more transparency and choices to the consumers.

Animation and VFX industry in India reached Rs 73.90 billion (US\$ 1.15 billion) in FY-18 from Rs 62.30 billion (US\$ 928.60 million) in FY-17, growing at a CAGR of 18.60 per cent.

During 2018-2023, the segment is expected to grow at a higher CAGR of 15.50 per cent, largely led by the continued growth in outsourced services and the swelling use of animation and VFX services in the domestic television and film space, respectively.

Digitalisation has played the major role in the growth of Indian film industry. The Indian film industry is expected to grow at a rate of 11.9 per cent by 2020.

By 2019, cinema exhibition industry in India is expected to have over 3,000 multiplex screens.

Total subscriber base for Indian television industry is expected to increase to 195 million by 2019 from 183 million in 2017.

### **Gems and Jewellery Sector**

India's gems and jewellery sector is one of the largest in the world contributing 29 per cent to the global jewellery consumption. The market size of the sector is about US\$ 75 billion as of 2018 and is estimated to reach US\$ 100 billion by 2025. The sector is home to more than 300,000 gems

and jewellery players, contributes about 7 per cent to India's Gross Domestic Product (GDP) and employs over 4.64 million employees.

India's gems and jewellery sector contributes about 15 per cent to India's total merchandise exports. The overall net exports of gems and jewellery stood at US\$ 32.71 billion during FY18 registering a compound annual growth rate (CAGR) of 5.83 per cent over FY 05; whereas gems and jewellery imports increased at a CAGR of 7.97 per cent from US\$ 11.63 billion in FY05 to US\$ 31.52 billion in FY18.

India is the world's largest centre for cut and polished diamonds in the world and exports 75 per cent of the world's polished diamonds. Today, 14 out of 15 diamonds sold in the world are either polished or cut in India. India exported US\$ 3.52 billion worth of cut and polished diamonds in FY20P (As of May 19 Provisional). It contributed 73.42 per cent of the total gems and jewellery exports.

### **Company Overview:**

Your Company is engaged in the business of content distribution and exhibition of feature films and other activities through its subsidiaries viz., K Sera Sera Digital Cinema Limited- handling the Digital Cinema Roll Out and K Sera Sera Miniplex Limited- specializing in the Exhibition Business building Cinema Halls across India. The Company has also diversified in the jewellery business by acquiring two new subsidiaries namely, Birla Gold and Precious Metals Limited and Birla Jewels Limited. Both the companies are the wholly owned subsidiaries of KSS Limited.

### **State of Art Theatres- "K Sera Sera Miniplex Limited"**

K Sera Sera Miniplex Limited is continuing its growth adding new partners and new screens to its portfolio. We continue to provide top quality entertainment to our audience. The Company has started making Multiplexes with four screens.

It has also started its own Food and beverages Café in the name of CINE CAFÉ. The Company plans to extend the catering services in to cinema which are owned or operated by the Company. With this expansion plan the Company is also expecting a quantum jump in its revenue.

K Sera Sera Miniplex Limited is also in the process of launching ticketing application so that the patrons can book tickets from the comfort of their home without paying any internet handling charges.

The Company has installed its first 2K format projector in Nagpur and the Company expects a good jump in the revenue with this investment.

Our Miniplex will be located across India in approximately 527 districts. KSSML has already finalised over 120 plus locations, which are at various stages.

### **K Sera Sera Digital Cinema Limited:**

K Sera Sera has launched high definition Cinema Projection Technology, under Sky Cinex Prime. The revised technology enables to download high quality "Digitally Mastered Content" via various electronic medium. The company has heavily invested in Research and Development of this technology. K Sera Sera Digital Cinema currently has now approx. 700 Screens under its

umbrella and has grown its presence in the Hindi film market with growing reach in Delhi, UP, Punjab, Uttarakhand, Gujarat, Maharashtra, Himachal Pradesh, Chattisgarh, Madhya Pradesh, Andhra Pradesh, Karnataka, West Bengal, Tamil Nadu, Bihar, Assam.

KSSDCL released all Hindi (Bollywood) films as well as Bhojpuri, Gujarati, Telugu, Kannada, Bengali and other regional language to a huge success. KSS Digital Cinema provides state-of-the-art Projection Technology to E-Cinema across India and is known for its Service and Efficiency and therefore obtained the ISO 9001:2008 Certificate.

KSSDCL has established “State of the Art” Digital Lab and Mastering Unit at Hyderabad, as part of expansion plan for the State of Andhra Pradesh and Telangana. The Company had signed an MOU with Tamil Nadu Film Chamber for establishing Mastering Unit & Digital Lab for the State of Tamil Nadu, Karnataka and Kerala and same has been implemented and more than 100 screens have been added to these states.

In Order to bring in Technological Upgradation the Company through its high tech Mastering facilities, we have Mastered 2K movies at our Hitech Labs at Hyderabad, Chennai and Mumbai. More than 1000 screens overseas have used our 2K Mastered KDM's for 2K Movies. The Company has also invested in acquisition of 2k Equipments and have provided to theatres. The Company has been delivering 2K Mastered Content at cities like, Batala, Patiala, Surat, Kolkata, Ahmedabad, Veerabal, Beed, Champa, Raipur and Nagpur, where we have our own Miniplex under brand name of KSS Miniplex.

### **Skycinex Prime Technology Upgradation**

- Remote Access Management of our entire network of server widely spread in India.
- Support and Trouble shooting is managed electronically with our Prime Technology.
- Exceptional feature of One Time Password (OTP) for critical & sensitive situations
- Online download of movies content and advertisement content.
- Online download of Govt directed advertisement of mass education and information.
- Playlist acknowledgements on the KDMST from the playback server
- Enhanced the Push feature from the playback server
- Enhancement on the watermark
- Added stop feature on the download dialog
- Added additional meta data on the content encrypted on the EMT
- Created mono audio solution for the DOME
- Faster processing for the PINK content on EMT
- Interface enhancements on the KDMST

**K Sera Sera Box Office Private Limited**

K Sera Sera Box Office Pvt Ltd. Has its two brands under its name: CHHOTU MAHARAJ - Cine Restaurant

**i) CHHOTU MAHARAJ - Cine Restaurant & Cine Café**

ChhotuMaharaj - Cine Restaurant is a very unique concept, which offers a combination of 7 Course dining with theatrical entertainment. ChhotuMaharaj is world's First ever "Dine in Theater". This innovative idea evolved considering the current Indian scope of family entertainment.

Where an Indian consumer mostly prefers to spend their leisure time and weekends or any special occasion like anniversary's and birthdays at restaurant and watch a movie. This generally becomes a very costly affair for most as they end up spending huge cost on dining and purchasing costly movie tickets at various multiplexes.

A New revolutionary service from ChhotuMaharaj - Cine Restaurant shall offer world class 7-course dining with latest cinema entertainment where you have to only pay for what you eat and latest cinema viewing shall be combined along with cost by bringing in the Best of the Two Worlds - A Restaurant and Cine Screening - rolled into one.

Now our customers can book a table or entire ChhotuMaharaj - Cine Restaurant at their door step for any events or special occasion. Be it the last-minute concept plan, or any romantic dinner date, along with any special movie screening.

ChhotuMaharaj - Cine Cafe offers 3 course meal with theatrical entertainment at very affordable price, we want viewers to enjoy latest cinema complementary while enjoying their meal along with their family and friends in a luxurious environment. ChhotuMaharaj - Cine Cafe aims to reach at actual grass root level of Tier 2, Tier 3 Cities, Tehsils & Gram Panchayats across the country.

**ii) Filmy Carvan**

Filmy carvan is concept of movable theatre and aims to showcase latest bollywood and regional movies every month at Grampanchayat and village level.

Filmy carvan showcases movies along with added benefits like food, clothing and exhibitions at village grampanchyat level.

In a month one filmy carvan vehicle will cover 30 grampanchayat and nearly 400 plus villages. We have 2 filmy carvan vehicles operational at Rajasthan (Nagaur District) and we aim at opening 300 plus vehicles in upcoming years.

**Birla Gold and Precious Metals Limited**

Birla Gold and Precious Metals Limited is a service provider and retailer for all kinds of goods and merchandise including precious and semi-precious metals, stones, gold, silver, diamonds, Jewellery and all such other commodities.

Birla Gold and Precious Metals Limited has launched a Jewellery Purchase Product named “Cherish Gold Plan-CGP” – A Smart Savings Plan through which it aims to present to end customers the flexibility to purchase and accumulate fractional amount of 22 karat gold, rather than spending large sums of money to purchase it in one go. Participation of Individuals under this product is voluntary and individuals are free to purchase as much as jewellery at any time. “Cherish gold” is a product and brand/trade name owned by BGPML.

Cherishgold.com is an e-commerce portal/virtual Jewellery Mall wherein the largest collection of Gold, Diamond and Gemstone Jewellery, in the country, is made available. Cherish Gold would help customers to shop from anywhere, any time and offers door-step delivery. The products meet the stringent quality standards of purity, weight, shape, size and aesthetic look.

### **Birla Jewels Limited**

Birla Jewels carries on business as Service provider for all kinds of goods and merchandise including gold, diamonds, jewellery and such other products. It is engaged in distribution and retail of branded jewellery, jewellery products and life style products from its current set of retail outlets, and through their franchisee model under the brand name “BJewelz”. It provides services to equip a jewellery retail outlet through franchisees to successfully run exclusive jewellery retail business under the banner of “BJewelz”, a brand owned by Birla Jewels Limited.

The Company is currently focussing on the launching of “BJewelz” retail outlet through franchisee model in various states and down the year is planning to open the Company owned and Company operated retail store of its own.

### **Financial Overview**

Revenue of the group stood at Rs. 4,767.63 Lacs and profit/ (loss) after tax and exceptional item stood at Rs. (4,500.58) Lacs. Reduction in revenue is mainly on account of paradigm shift in Company’s focus and diversification. The diversifications of the business are yet to bear fruit.

### **Outlook, Opportunities and Threats Outlook:**

The Company envisages a huge potential in motion picture production, distribution and television content production activities. The Company also proposes to expand its activities into overseas market. The Company is working towards diversification on and intends to de risk the business.

### **Exhibition Miniplex:**

The Company aims at opening Miniplex as compared to multiplexes as not many are block buster and facility of 4-5 screens with the capacity of 200-250 may not be viable for tier 2 and tier 3 cities as the population is not much. Hence a miniplex format theatre serves better. Hence a Miniplex format theatre serves better. The Company has also started building multiplexes whenever the space and opportunity arises. Miniplexes should have a positive impact on the profitability of the group.

### **Exhibition Digital Cinema:**

As briefed earlier that digitisation has seen good progress in digital cinema as they are going to play a crucial role in the future of film industry and there is huge potential for conversion of earlier movies in analogue to digital format with its State Of Art Technology, “Skycinex Prime” which should provide greater returns in the future. As a long term vision, the company is focusing on development of DCI approved technology so that it can release the Hollywood movies. In the interim, the company has progressed in developing its proprietary Server, in order to deliver 2 K DCP to theatre, which would be rolled out shortly.

### **Jewellery Market- Retailer**

- With a market size of almost INR 4,54,100 crore, the sector has a sizeable share of the GDP at 5.9 percent, apart from large-scale employment generation and foreign exchange earnings.
- A share of wallet analysis reveals that jewellery accounts for more than a fourth of the discretionary spending by consumers in India. This coupled with rising income levels in India is a major growth driver
- India has an estimated 229 million women aged 20–49. The number of women, the key customer category for jewellery, who are employed in professional sectors is rising very fast
- With more than 300 million people in the 25–29 age group in the period 2011–21, 150 million weddings are expected to take place in this period
- Tier-III inclusion. With landlords and money lenders being the primary source of financial credit in such areas, jewellers have emerged as an alternative, providing investment options through gold jewellery.

### **Threats:**

Market competition, regulatory approvals and fast technological advancement remain a major threat. Piracy continues to dampen the growth, measures taken by the Company to go digital is helping reduce its extent. High Entertainment tax affects revenue to some extent. Film distribution is relatively risky business due to issue of under reporting by exhibitors.

### **RISK MANAGEMENT:**

Some of the key strategic risks the Company faces, their impact and corresponding risk mitigation actions undertaken by the Company are discussed in the table:

KEY RISKS	IMPACT ON THE COMPANY	MITIGATION
Technology	Inability to cope with swift technological developments can impact business	The company has expertise technical support staff who update the management regarding new impact business

Liquidity	Non availability of timely funds may affect our ability to operate and also delay our implementation plans for growth and expansion.	The Company has good Financial support of Banks and Financial Institutions helps the company to reduce its risks.
Regulatory	Unprecedented changes in government policies may impact business operations.	The company is suitably positioned to counter risks, posed by change in government policies.
Delay, cost overruns cancellation abandonment	Such risks can significantly impact completion and release of films.	Enhanced industry corporatization enables the company to mitigate this risk. This is carried out by entering into specific agreements, fixing the responsibilities of the co-producers, better planning and execution.

#### **Internal Control System and their Adequacy:**

Adequate systems of internal controls that commensurate with the size of operation and the nature of business of the Company have been implemented. The Internal control systems are implemented to safeguard company's assets from unauthorized use or disposition, to provide constant check on cost structure, to provide adequate financial and accounting controls and implement accounting standards.

#### **Human Resource Management:**

The Company places major emphasis on providing a safe & a healthy working environment to all its employees. We encourage our employees to balance their work and personal relation. The field being one which requires absolute creativity, the performance of its employees is reviewed so as to provide them job enrichment opportunities.

The Directors recognize that continued and sustained improvement in the performance of the Company depends on its ability to attract, motivate and retain employees of the highest calibre. We are committed to the principle of equal employment opportunities.

Further we endeavor to create an environment where employee can use their capabilities in support of the business.

## **CORPORATE GOVERNANCE REPORT**

### **Introduction Colleague**

Corporate Governance is about commitment to values and ethical business conduct. It is a set of laws, regulations, processes and customs affecting the way a company is directed, administered, controlled or managed. Effective corporate governance practices constitute the strong foundations on which commercial enterprises are built to last. These practices are categorized through a framework enforced by regulation. It develops through adoption of ethical practices in all of its dealings with a wide group of stakeholders encompassing regulators, employees, shareholders, customers and vendors. This includes its corporate and other structures, culture, policies and the manner in which it deals with various stakeholders. Some of the important best practices of corporate governance framework are timely and accurate disclosure of information regarding the financial situation, performance, ownership and governance of the Company. It has become an integral part of the business aligning the organizations to the best practices of good governance.

The detailed report on compliance by the Company of the Corporate Governance Code as incorporated in regulation 34 read with Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is set out below:

#### **1. Company's Philosophy on code of Corporate Governance**

Corporate Governance encompasses the value systems of integrity, transparency and adoption of high ethical standards.

KSS's philosophy on Corporate Governance is to enhance the long term economic value of the Company and its Stakeholders including shareholders and society at large through attainment of highest levels of transparency, accountability, professionalism and equity in all facets of its operations.

The Company envisions being a globally preferred business associates with responsible concern for society and stakeholders value. The Company is committed to ethical values and self-discipline through standards of good governance based on transparency, fairness, purposefulness, trust, responsibility, checks and balances directed at sustaining shareholders interest and overall organizational goals.

The Company makes best endeavors to uphold and nurture these core values in all facets of its operations and aims to increase and sustain its corporate value through growth and innovation.

The Company is fully committed to and continues to follow procedures and practices in conformity with the Code of Corporate Governance enshrined in the Listing Regulations.

The Board of Directors  
KSS Limited

Dear Sirs,

- A. We have reviewed financial statements and the cash flow statement for the year and that to the best of our knowledge and belief :
1. these statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
  2. these statements together present a true and fair view of the company's affairs and are in compliance with existing accounting standards, applicable laws and regulations.
- B. there are, to the best of their knowledge and belief, no transactions entered into by the company during the year which are fraudulent, illegal or violative of the company's code of conduct.
- C. We accept the responsibility for establishing and maintaining internal controls for financial reporting and that they have evaluated the effectiveness of internal control systems of the company pertaining to financial reporting and they have disclosed to the auditors and the Audit Committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps they have taken or propose to take to rectify these deficiencies.
- D. We have indicated to the auditors and the Audit committee:
1. significant changes in internal control over financial reporting during the year;
  2. significant changes in accounting policies during the year and that the same have been disclosed in the notes to the Financial statements; and
  3. instances of significant fraud of which they have become aware and the involvement therein, if any, of the management or an employee having a significant role in the company's internal control system over financial reporting.

## **INDEPENDENT AUDITOR'S REPORT**

**To the Members of  
KSS LIMITED  
(CIN: L22100MH1995PLC092438)**

### **Opinion**

We have audited the accompanying standalone financial statements of KSS Limited("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2020, the Statement of Profit and Loss and the Statement of Cash Flow for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Accounting Standards and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2020, and its profit and its cash flows for the year ended on that date.

### **Basis of Opinion**

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

### **Emphasis of Matters**

- a) We draw attention to the Note 30 to the financial statement for a demand of Rs 734.06 Lacs excluding interest and penalty under section 142 of the Custom Act 1962. Custom department freeze/attached the various assets and bank accounts against the said recovery. Based on legal Opinion obtained, the company is of the view that said demand contesting. Provision has been considered by the management in these financial statements. Our opinion is not qualified in respect of this matter.
- b) We draw attention to the Note 30 to the financial statement for a demand of Rs 1035.05 Lacs including the interest and penalty under MVAT. In line with film industry consensus, the Company is of the opinion that there are no grounds for levying VAT Based on legal Opinion obtained; the company is of the view that said demand contesting. Hence, no provision has been considered by the management in these financial statements. Our opinion is not qualified in respect of this matter.
- c) Notes to the financial statements which describe the uncertainty related to the outcome of the pendency's of appeals and legal matters filed by the company as well as against the company.

Our opinion is not modified in respect of these matters.

### **Managements Responsibility for the Standalone Financial Statements**

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit / loss (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of

accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government of India in terms of sub section (11) of section 143 of the Act, we give in the 'Annexure A' statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
2. Further to our comments in Annexure A, as required by section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - b) In our opinion proper books of account as required by law have been kept by the company so far as appears from our examination of those books;
  - c) The Balance sheet, statement of profit & loss (including other comprehensive income), the statement of changes in Equity and statement of cash flows dealt with by this report are in agreement with the books of account;

- d) In our opinion, the aforesaid standalone financial statements comply with Ind AS Specified under section 133 of the Act;
- e) In our opinion, the matter described under the Emphasis of Matter Para above may have an adverse effect on the functioning of the Company;
- f) Taken on record by the board of directors, none of the directors is disqualified as on 31<sup>st</sup> March 2020, from being appointed as a director in terms of section 164(2) of the act;
- g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".

With respect to the other matters included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rule 2014 in our opinion best of our Information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigation on its financial position in its financial statements Refer to Note No. 30;
- ii. The Company does not have any long-term contracts including derivatives contracts for which any provision is required;
- iii. The Company is not required to transfer amounts to the Investor Education and Protection Fund.

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of section 143(11) of the Act we give in "Annexure A" a statement on the matters specified in paragraph 3 and 4 of the order, to the extent applicable.

## **Annexure B to the Independent Auditors' Report**

**Referred to in paragraph 1(f) under the heading 'Report on other Legal and Regulatory Requirements' of the Independent Auditors' Report of even date to the members of KSS Limited on the financial statements for the year ended March 31, 2020:**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of KSS LIMITED as of March 31, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI).

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013; to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and the operating effectiveness. Our audit of internal financial control over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

## Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

**Fair value hierarchy**

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or

Level 2 - Inputs other than quoted prices included within Level 1 that are observable

Level 3 - Inputs for the assets or liabilities that are not based on observable market

(\*) The fair value of these investment in equity shares are calculated based on

(^) The carrying value of these accounts are considered to be the same as their fair

**KSS LIMITED (Formerly known as K SERA SERA LIMITED) v**

Notes to the standalone financial statements for the year ended March 31, 2020

(All amounts in INR lakhs, unless otherwise stated)

**28 Financial risk management**

The Company has exposure to following risks arising from financial instruments-

- credit risk
- market risk
- liquidity risk

**(a) Risk management framework**

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

**(b) Credit risk**

Credit risk is the risk that counter party will not meet its obligations under a financial instruments or customer contract leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) from its financing activities including deposits with banks and investment in quoted and un-quoted equity instruments.

**i) Trade and other receivables:**

Credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored.

The impairment analysis is performed at each reporting date on an individual basis for major customers. In addition, a large number of minor receivables are grouped into homogeneous groups and assessed for impairment collectively. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company does not hold collateral as security.

**Expected credit loss (ECL) assessment for corporate customers as at 31 March 2020**

The Company allocates each exposure to a credit risk grade based on a variety of data that is determined to be predictive of the risk of loss (including but not limited to past payment history, security by way of deposits, external ratings, audited financial statements, management accounts and cash flow projections and available press information about customers) and applying experienced credit judgement.

**ii) Other financial assets and deposits with banks:**

Credit risk on cash and cash equivalent is limited as (including bank balances, fixed deposits and margin money with banks) the Company generally transacts with banks with high credit ratings assigned by international and domestic credit rating agencies.

**(c) Market Risk****Equity price risk**

The Company is exposed to equity price risk from investments in equity securities measured at fair value through profit and loss. The Management monitors the proportion of equity securities in its investment portfolio based on market indices and based on company performance for un-quoted equity instruments. Material investments within the portfolio are managed on an individual basis and all buy and sell decisions are approved by the Board of Directors. Further, major investments in un-quoted equity instruments are strategic in nature and hence invested for long-term purpose.

**Interest rate risk**

Interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to its short term borrowings in nature of working capital loans, which carry floating interest rates. Accordingly, the Company's risk of changes in interest rates relates primarily to the Company's debt obligations with floating interest rates.

**(d) Liquidity Risk**

Liquidity is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing the liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The Company believes that the cash and cash equivalents is sufficient to meet its current requirements. Accordingly no liquidity risk is perceived.

**Exposure to liquidity risk**

The table below details the Company's remaining contractual maturity for its non-derivative financial liabilities. The contractual cash flows reflect the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

Particulars	Carrying value	Contractual cash flows			
		Total	On demand	< 1 Yr.	>1 Yr.
<b>31st March 2020</b>

**KSS LIMITED (Formerly known as K SERA SERA LIMITED)**

Notes to the standalone financial statements for the year ended March 31, 2020

(All amounts in INR lakhs, unless otherwise stated)

**29 Capital management**

The Company's objective is to maintain a strong capital base to ensure sustained growth in business and to maximise the shareholders value. The Capital Management focuses to maintain an optimal structure that balances growth and maximizes shareholder value.

The Company's adjusted net debt to equity ratio is analysed as follows:

Particulars	31st March 2020	31st March 2019
Total equity (A)	10,185.98	10,385.70
Total borrowings (B)	1379.16	1,316.09
<b>Total capital (C)= (A) +(B)</b>	<b>11565.14</b>	
Total loans and borrowings as a percentage of total capital (B/C)	11.93%	11.25%
Total equity as a percentage of total capital (A/C)	88.07%	88.75%

## OVERVIEW AND NOTES TO FINANCIAL STATEMENTS

### 1. OVERVIEW

KSS Limited (BSE Scrip Code: 532071; NSE Scrip Code KSERASERA) is a global player within the Indian media and entertainment.

KSS Limited ('K Sera Sera Limited' or 'the Company') along with its wholly owned subsidiaries K Sera Sera Miniplex Limited ("KSS Miniplex"), K Sera Sera Digital Cinema Limited ("KSS Digital"), K Sera Sera Box Office Private Limited ("KSS Box Office") Birla Gold and Precious Metals Ltd, Birla Jewels Ltd., and step down subsidiaries Cherish Gold Private Limited, KSS Speed Technology Private Limited, is the most diversified media company. The Company through its subsidiaries and step- down subsidiaries is into the business of Miniplexes, Digital Cinema and Online Trading in Gold & Jewellery, Project Consultancy and General Trading (UAE).

### 2. BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements of the company have been prepared in accordance with the applicable requirements of the Companies Act 2013 and comply in all material aspects with the Indian Accounting Standards (hereinafter referred as to 'IND AS') as notified by ministry of corporate affairs in pursuant to section 133 of Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules 2016, The Companies (Indian Accounting Standards) Rules, 2017 and other relevant provisions of the Companies Act, 2013.

Accounting policy have been consistently applied except where a newly – issued accounting standard is initially adopted or a revision to an existing accounting Standard requires a change in the Accounting Policy hitherto in use.

The standalone financial statements are presented in INR (₹) and all the values are rounded off to the nearest lakhs (INR 100,000) except when otherwise indicated.

#### 2.01 Summary of significant accounting policies

##### (A) Current versus non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (not exceeding twelve months) and other criteria set out in the Schedule III to the Act.

##### (B) Significant accounting, judgments, estimates and assumptions

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/materialized. The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

#### Investment in equity shares:

The Company is exposed to equity price risk from investments in equity securities measured at fair value through profit and loss. The Management monitors the proportion of equity securities in its investment portfolio based on market indices. Material investments within the portfolio are managed on an individual basis and all buy and sell decisions are approved by the Board of Directors.

#### Impairment of non-financial assets

Impairment exists when the carrying value of an asset or cash generating unit (“CGU”) exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm’s length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a discounted cash flow (“DCF”) model. The cash flows are derived from the budget for future years and do not include restructuring activities that the Company is not yet committed to or significant future investments that will enhance the asset’s performance of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the growth rate used for extrapolation purposes.

#### Impairment of financial assets

The Company assesses impairment of financial assets (‘Financial instruments’) and recognises expected credit losses in accordance with Ind AS 109. The Company provides for impairment of trade receivables and unbilled revenue outstanding for more than 1 year from the date they are due for payment and billing respectively. The Company also assesses for impairment of financial assets on specific identification basis at each period end.

The Company provides for impairment of investment in subsidiaries. Impairment exists when there is a diminution in value of the investment and the recoverable value of such investment is lower than the carrying value of such investment.

#### **(C) Property plant and Equipment’s**

Property, Plant and Equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises of purchase price inclusive of taxes etc. up to the date the asset is ready for its intended use. Depreciation is provided under written down value method at the rates and in the manner prescribed under Schedule II to the Companies Act, 2013.

#### **(D) Depreciation Tangible Fixed Assets.**

Depreciation on fixed assets is calculated on a written down value method at based on the useful lives estimated by the management, or those prescribed under the Schedule II of the Companies Act, 2013, The company has used the following rates to provide depreciation on its fixed assets.

Particulars	Usefullife
Office Equipment	5 Years

Computers and laptops	6 Years
Vehicles	10 Years
Digital asset	13 Years

Company has provided depreciation on Digital technology assets @20% (13 years) on WDV basis. Income from use of such assets is booked in K Sera Sera Digital Cinema Private Limited.

A digital technology asset is used by K Sera Sera Digital Cinema Limited ("KSS Digital") a WOS company of KSS Limited. Deprecation on the above assets is cross charge to K Sera Sera Digital Cinema Limited ("KSS Digital") without transferring the assets. KSS limited is sole owner of the said equipments shall cross charge the amount of deprecation / normal charge of wear and tear to KSS Digital at cost and same shall be recouped by KSS in agreed manner.

#### (E) Intangible Assets

Intangible Assets acquired by the Company are stated are cost less accumulates amortization less impairment loss if any (film production cost and content advances are transferred to the film and content rights at the point at which content is first exploited).

Investments in films and associated rights, including acquired rights and distribution advances in respect of completed films, are stated at cost less amortization less provision for impairment. Costs include production costs, overhead and Capitalized interest costs net of any amounts received from third party investors. A charge is made to write down the cost of completed rights over the estimated useful lives, writing off more in year one which recognizes initial income flows and then the balance over a period of up to nine years, except where the asset is not yet available for exploitation. The average life of the assets is the lesser of 10 years or the remaining life of the content rights. The amortization charge is recognized in the Statement of profit and loss within Film right costs including amortization costs. The determination of useful life is based upon Management's judgment and includes assumptions on the timing and future estimated revenues to be generated by these assets.

Intangible assets comprising film scripts and related costs are stated at cost less amortisation less provision for impairment. The script costs are amortized over a period of 3 years on a straight-line basis and the amortisation charge is recognized in the Statement of profit and loss within Film right costs including amortisation costs. The determination of useful life is based upon Management's estimate of the period over which the Company explores the possibility of making films using the script.

Other intangible assets, which comprise internally generated and acquired software used within the Entity's digital, home entertainment and internal accounting activities, are stated at cost less amortisation less provision for impairment. A charge is made to write down the cost of completed rights over the estimated useful lives except where the asset is not yet available for exploitation. The average life of the assets is the lesser of 3 years or the remaining life of the asset. The amortisation charge is recognized in the Statement of profit and loss.

#### (F) Borrowing Costs

Borrowings cost includes interest, amortisation of ancillary costs incurred in connection with the arrangement of borrowings and exchange difference arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

#### (G) Impairment of non-financial assets

For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash generating units). As a result, some assets are tested individually for impairment and some are tested at the cash generating unit level. All individual assets or cash generating units are tested for impairment whenever events or change in circumstances indicate that the carrying amount may not be recoverable.

The carrying amounts of assets are reviewed at each balance sheet date to determine if there is any indication of impairment based on external or internal factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount which represents the greater of the net selling price of assets and their 'value in use' in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL.

Life time ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider all contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the Statement of profit and loss. This amount is reflected under the head 'other expenses' in the Statement of profit and loss.

For assessing increase in credit risk and impairment loss, the Company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis

#### (H) Impairment of financial assets

In accordance with Ind. AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on risk exposure arising from financial assets like debt instruments measured at amortised cost e.g., trade receivables and deposits.

The Company follows 'simplified approach' for recognition of impairment loss allowance on Trade receivables or contract revenue receivables. The application of simplified approach does not require the Company to track changes Purchase price is assigned using a weighted average basis. Net realizable value is defined as anticipated selling price or anticipated revenue less cost to completion.

#### (I) Investments in subsidiaries, Associates and Joint Ventures:

Investments in subsidiaries, associates and joint ventures are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiaries, associates and joint venture, the difference between net disposal proceeds and the carrying amounts are recognized in the statement of profit and loss.

#### (J) Inventories

Inventories comprise of traded goods, stores and spares are valued at cost or at net realizable value whichever is lower. Cost of traded goods, stores and spares is determined on weighted average basis. Stores and spares, which do not meet the definition of property, plant and equipment, are accounted as inventories. Net realizable value is the estimated selling price in the ordinary course of business and estimated costs necessary to make the sale.

#### (K) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

##### i. In house production of motion pictures

Revenue on assignment of distribution rights of motion pictures to third parties is recognized on the date of

Release/exhibition of the motion picture. Overflow from the distributors is accounted for as and when due or on receipt basis in case of uncertainty in collection. Revenue from outright sale of motion pictures is recognized on the date of agreement to sell the rights.

##### ii. Other rights

Revenue from other rights of motion pictures such as satellite rights, overseas rights, music rights, video rights, etc. is recognized on the date of execution of the agreement to assign these rights for exploitation or the release of the movie whichever is earlier.

*iii. Interest*

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head “other income” in the statement of profit and loss.

**(L) Taxes**

Tax expense comprises of current and deferred tax.

**Current income tax**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities in accordance with the Income-tax Act, 1961. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside profit and loss is recognised outside profit and loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate. Tax liability under Minimum Alternate Tax (“MAT”) is considered as current tax. MAT entitlement is considered as deferred tax.

Minimum Alternative Tax (“MAT”) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

**Deferred tax**

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

When the deferred tax liability arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

In respect of taxable temporary differences associated with investments in subsidiaries when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences and the carry forward of any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax losses can be utilized, except:

When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss

In respect of deductible temporary differences associated with investments in subsidiaries deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit and loss is recognised outside profit and loss (either in OCI or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

#### (M) Foreign Currency Translation

Transactions in foreign currencies are translated at the rates of exchange prevailing on the dates of the transactions. Monetary assets and liabilities in foreign currencies are translated at the prevailing rates of exchange at the balance sheet date. Non-monetary items that are measured at historical cost in a foreign currency are translated at the exchange rate at the date of the transaction. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined.

Any exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were initially recorded are recognized in the Statement of profit and loss in the period in which they arise. Non-monetary items carried at fair value that are denominated in foreign currencies are translated at rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

The Company's functional currency and the presentation currency is same i.e. Indian Rupees

(N) Retirement and Other Employee Benefits

Company doesn't have any employee who has completed 5 year of continues services for provision for gratuity and other benefits. And Contributions payable by the Company to the concerned government authorities in respect of provident fund, family pension fund and employee state insurance are charged to the profit and loss account if any.

(O) Segment reporting

The company's business activity falls within a single primary segment the disclosure requirements of Indian Accounting Standard (Ind AS-108) "Operating segment is not applicable.

(P) Provisions

Recognition of Provision:

A provision is recognized when the company has i) a present obligation as a result of past event, ii) it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and iii) a reliable estimate can be made of the amount of the obligation. Where the effect of the time value of money is material, the amount of provision shall be the present value of the expenditures expected to be required to settle the obligation. Provisions shall be reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of resources embodying economic benefits will be required to settle the obligation, the provision shall be reversed.

Where the company expects some or all of a provision to be reimbursed, for example under insurance contract, the reimbursement is recognized as a separate asset but only when the reimbursement is virtually certain. The expense relating to any provision is presented in the statement of profit and loss net of any Reimbursement .

(Q) Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

(R) Earnings per share

The basic earnings per equity share are computed by dividing the net profit attributable to the equity shareholders for the reporting period by the weighted average number of equity shares outstanding during the reporting period.

The number of shares used in computing diluted earnings per share comprises the weighted average number of shares considered for deriving basic earnings per share and also the weighted average number of equity shares, which may be issued on the conversion of all dilutive potential shares, unless the results would be anti-dilutive.

The earnings per share are calculated as under:

Particulars	31-Mar-20	31-Mar-19
Net profit/(loss) after tax for the year	(4,310.08)	(4,310.08)
Equity shares outstanding as the year end	21,358.75	21,358.75
Nominal value per share (Rs.)	1	1
Earnings per share		
- Basic	(0.20)	(0.20)
- Diluted	(0.20)	(0.20)

#### (S) Leases

Where the Company is the lessee

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

Where the Company is the less or

Assets subject to operating leases are included in property plant and equipment. Lease income on an operating income is recognized in the statement of profit and loss on a straight- line basis over the lease term. Costs, including depreciation are recognized as an expense in the statement of profit and loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognized immediately in the statement of profit and loss.

#### (T) Related Party Transaction

As per Indian accounting standard on Related Party Disclosure (IND AS-24) as notified by the Companies (Indian Accounting Standard) Rules, 2015 the names of the related parties of the Company are as follows:

#### (U) Fair value measurement

The company measures financial instrument such as investments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability- or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1- Quoted (unadjusted) market price in active markets for identical assets or liabilities
- Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

Currently company carries those instruments in level 1 inputs of the above mentioned fair value hierarchy.

**KSS LIMITED**  
(Formerly known as K Sars-Sars Limited)

(V) Financial instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

i. Financial assets

## Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit and loss, transaction costs that are attributable to the acquisition of the financial asset.

### Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three broad categories:

- Debt instruments assets at amortised Cost
- Equity instruments measured at fair value through profit or loss (FVTPL)

When assets are measured at fair value, gains and losses are either recognised entirely in the statement of profit and loss (i.e. fair value through profit and loss), or recognised in other comprehensive income (i.e. fair value through other comprehensive income).

## Debt instruments at amortised cost

A debt instrument is measured at amortized cost (net of any write down for impairment) if both the following conditions are met:

- the asset is held to collect the contractual cash flows (rather than to sell the instrument prior to its

Contractual maturity to realize its fair value changes), and

- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (“SPPI”) on the principal amount outstanding.

Such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit and loss. The losses arising from impairment are recognised statement of profit and loss. This category generally applies to trade and other receivables

## Financial assets at fair value through OCI (FVTOCI)

A financial asset that meets the following two conditions is measured at fair value through OCI unless the asset is designated at fair value through profit and loss under fair value option.

- The financial asset is held both to collect contractual cash flows and to sell.
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in OCI. However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to Profit and Loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

Financial assets at fair value through profit and loss

FVTPL is a residual category for company's investment instruments. Any instruments which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

All investments included within the FVTPL category are measured at fair value with all changes recognized in the Profit and Loss

In addition, the company may elect to designate an instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Equity investments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company has not made any such election. This classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVOCI, then all fair value changes on the

Instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment; However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

Derecognition

When the Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a

‘pass-through’ arrangement; It evaluates if and to what extent it has retained the risks and rewards of ownership.

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised when:

- The rights to receive cash flows from the asset have expired, or
- Based on above evaluation, either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company’s continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflect the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

#### Impairment of financial assets

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. IND AS 109 (‘financial instruments’) requires expected credit losses to be measured through a loss allowance. The Company recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

#### ii. Financial liabilities

##### Initial recognition and measurement

Financial liabilities are classified, at initial recognition as financial liabilities at fair value through profit and loss or at amortised cost, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings, net of directly attributable transaction costs.

The Company’s financial liabilities include trade payables, lease obligations, and other payables.

##### Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

##### Financial liabilities at amortised cost

After initial recognition, interest-bearing loans and borrowings and other payable are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised

in profit and loss when the liabilities are derecognized as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit & loss.

#### Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

#### iii. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

#### iv. Reclassification of financial assets

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to

External parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

#### (W) Recent accounting pronouncements

Appendix B to IND AS 21, Foreign currency transactions and advance consideration: On March 28, 2018, the Ministry of Corporate Affairs ('the MCA') notified the Companies (Indian Accounting Standards) Amendment Rule, 2018 containing Appendix B to IND AS 21, Foreign currency transactions and advance consideration which clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, which an entity has received or paid advance consideration in foreign currency.

The amendment will come into force from April 1, 2018, The Company has evaluated the effect of this on the financial statements and the same is not applicable to the Company.

IND AS 115, Revenue from Contract with Customers: On March 28, 2019, the MCA notified the IND AS 115.

The core principle of the new standard is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Further, the new standard requires enhanced disclosures about the nature, amount, timing, and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

The standard permits two possible methods of transaction:

- Retrospective approach: Under this approach the standard will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8, Accounting, Policies, Changes in Accounting Estimates and Errors.
- Retrospectively with cumulative effect of initially applying the standard recognized at the date of initial application (cumulative catch-up approach)

The effective date for adoption of Ind AS 115 is financial period beginning on or after April 1, 2019. The company will adopt the standard on April 1, 2019 by using the cumulative catch-up transaction method and accordingly, comparatives for the year ending March 31, 2019 will not be retrospectively adjusted. The effect on adoption of Ind AS 115 is expected to be very insignificant.

### 30. CONTINGENT LIABILITIES

a) A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

The Maharashtra Government had issued a notification on August 30, 2005, as per which entities leasing copyrights of cinematographic films are required to pay value added tax (VAT) @ 4% retrospectively wef. May 1, 2000. Subsequently, upon the representation of 'The Cinematograph Exhibitor's Association of India' ('The Association'), the levy of the said tax was waived for the period May 1, 2000 to March 31, 2005. The revised notification extending similar relief up to the period commencing from April 1, 2005 is being pursued by the association. The Company, in line with the view taken by the Industry, is of the opinion that VAT is not applicable to the activities carried by the Company and has also taken a legal opinion in this regard. The Company has also not received any demand notice from the VAT authorities. As a matter of prudence, the Company has made ad hoc payments of Rs 15.00 Lacs under protest, and 16.70 lacs against the demand which is disclosed under 'Loans and Advances'.

Demand of Rs 1035.05 Lacs including the interest and penalty under MVAT. In line with film industry consensus, the Company is of the opinion that there are no grounds for levying VAT. Based on legal Opinion obtained; the company is of the view that said demand contesting. Hence,

no provision has been considered by the management in these financial statements. Our opinion is not qualified in respect of this matter

Having regard to the above facts, the Company does not expect any liability on this account. In line with film industry consensus, the Company is of the opinion that there are no grounds for levying VAT on film distribution activity and hence no provision is made in the books of accounts for these years. The same is disclosed as contingent liability under Notes to Accounts.

b) The company, having IEC number 0306007649, export rights of several films produced by them and/or for which, the distribution rights were purchased/ acquired by them in the past. By exporting distribution rights of the films in the territories abroad, KSS did import of various capital goods including 400 digital cinematographic projectors under EPCG Scheme – concessional rate of duty 3% with the proper compliances. Under EPCG Scheme company have to export eight times (Approx. 4,500.00 lacs) of duty saved within eight years, but till date company did not export under the said obligation. Company imports various digital cinema equipments under the 9(nine) licenses and duty saved 550.81 Lacs and expiry of said license between September 2019 to August 2020.

Demand of Rs 734.06 Lacs excluding interest and penalty under section 142 of the Custom Act 1962. Custom department freeze/attached the various assets and bank accounts against the said recovery. Based on legal Opinion obtained, the company is of the view that said demand contesting. Hence, no provision has been considered by the management in these financial statements. Our opinion is not qualified in respect of this matter. The security deposit (Custom) Rs 190.10 Lacs shown total cost of the assets and account freeze by the custom department, against the Recovery of Government dues under section 142 of the Custom Act 1962 Rs. 734.06 Lacs excluding interest and penalties. Custom department freeze/attached the various assets and bank account of KSS Group against the said recovery.

c) The Company has cases pending at the Securities Exchange Board of India. The departments are yet to pass final order hence the liability for the same is currently unascertainable

i. Contingent liabilities not provided for in respect of:

Particulars	(Amount in Lacs)	
	March 2020	March 2019
Guarantees issued by bank		
In respect of the company	NIL	NIL
In respect of a wholly owned subsidiary	160.39	160.39

## **INDEPENDENT AUDITOR'S REPORT**

**To**

**The Members of KSS LIMITED  
(CIN:L22100MH1995PLC092438)**

### **Opinion**

We have audited the accompanying Consolidated financial statements of KSS Limited ("the Holding Company") and its Subsidiaries (the Holding Company and its Subsidiaries together referred to as "the Group") which comprise the Consolidated Balance Sheet as at March 31, 2020, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements / consolidated financial statements and on the other financial information of the subsidiaries, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, of the consolidated state of affairs (consolidated financial position) of the Group as at 31 March 2020, and its consolidated profit (consolidated financial performance including other comprehensive income), its consolidated cash flows and the consolidated changes in equity for the year ended on that date.

### **Basis of Opinion**

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

### **Emphasis of Matters**

We draw your attention to:

- a) We draw your attention to Note no. 7 of the consolidated financial statement stating that Company had received a notice of Demand of Rs 1035.05 Lacs including the interest and penalty under MVAT on account of VAT liability on the leasing of Cinematographic films. In line with film industry consensus, the Company is of the opinion that there are no grounds for levying VAT Based on legal Opinion obtained; the company is of the view that said demand contesting. Hence, no provision has been considered by the in these financial statements.

- b) We draw your attention to Note no. 8 of the consolidated financial statement stating that Company had received a demand of Rs 734.06 Lacs excluding interest and penalty under section 142 of the Custom Act 1962 on account of non-adherence of EPCG Scheme as company is not able to export the goods/services as required under the EPCG Scheme. Custom department freeze/attached the various assets and bank accounts against the said recovery. Based on legal Opinion obtained, the company is of the view that said demand contesting. Hence, no provision has been considered by the management in these financial statements.
- c) We draw your attention to Note no. 33 of the consolidated financial statement stating that the Exceptional item represents impairment of unquoted investment amounting to Rs. 1058.07 Lacs and provision for the diminution in the value of investment of subsidiary and joint venture amounting to Rs. 3222.72 Lacs. Company had made the impairment/provision for the diminution in the value of investment based on the book value per share derived on the basis of the latest available financial statements and dispute with the companies. Valuations of unquoted investment are subject to the valuation by independent valuer.
- d) We draw your attention to Note no. 10 of the consolidated financial statement stating that the auditor of the subsidiaries had drawn the attention to Notes to the financial statements of subsidiaries which describe the uncertainty related to the outcome of the pendency's of some appeals and legal matters filed by the company as well as against the Company.

Our conclusion is not modified in respect of these matters.

#### **Information Other than the Consolidated Financial Statements and Auditor's Report Thereon**

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information compared with the financial statement of the subsidiary audited by the other auditor and, in doing so, we place reliance on the work of the other auditor and considered whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. Other information so far it relates to the subsidiary is traced from their financial statement audited by the other auditor.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

#### **Management's Responsibility for the Standalone Financial Statements**

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to preparation of these consolidated financial statements that give a true

and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Accounting Standard and other accounting principles generally accepted in India . The respective Board of Directors of the companies included in the Group are responsible for maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

### **Auditor's Responsibility**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its subsidiary company which are companies incorporated in India, has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance of the holding company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### **Other Matter**

We did not audit the financials statement of six subsidiaries reflect total assets of Rs.7762.40 Lacs and net assets of Rs. 3010.8 Lacs as at March 31, 2020, total revenue of Rs. 4352.64 and total comprehensive loss of Rs. 221.97 Lacs for the year ended on that date, as considered in the consolidated financial statement. These financial statement have been audited by the another auditor whose reports have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosure included in respect of this subsidiary is based solely on the report of other auditors.

The Group had not consolidated investments in Kamala Landmark Infrastructure Private Limited and Joint Venture in Citygate Trade FZE, being these investments are in dispute and the provision for the diminution in the value of investment has been made and disclosed as exceptional item in the consolidated financial statement.

## Report on Other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, based on our audit and on the consideration of the report of the other auditor referred to in the other matters section above we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
  - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
  - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
  - d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - e) On the basis of the written representations received from the directors of the Company as on March 31, 2020 taken on record by the Board of Directors of the Holding company and its subsidiaries and the reports of the statutory auditors of its subsidiaries company, none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
  - f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls; refer to our separate Report in “Annexure A” which is based on the auditor’s reports of the Company and its subsidiary company. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial control over financial reporting of those companies, for reasons stated therein.
  - g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
  - h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group in the financial statements. Refer note 1.3 to the consolidated financial statement
    - ii. The Group did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
    - iii. There were no amounts which were required to be transferred, to the Investor Education

and Protection Fund by the holding company and its subsidiary.

## Annexure A to the Independent Auditors' Report

Referred to in paragraph 1(f) under the heading '**Report on other Legal and Regulatory Requirements' of the Independent Auditors' Report of even date to the members of KSS Limited** on the consolidated financial statements for the year ended March 31, 2020:

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013("the Act")**

We have audited the internal financial controls over financial reporting of KSS India Limited ("the Company") and its subsidiaries company as of March 31, 2020 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Board of Directors of the Holding Company and its subsidiaries company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("the ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditors Responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company and its subsidiaries company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding Company and its subsidiaries company.

#### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Holding Company and its subsidiaries companies have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**KSS LIMITED (Formerly known as K SERA SERA LIMITED)****Notes to the consolidated financial statements for the year ended March 31, 2019***(All amounts are in INR in lakhs, unless otherwise stated)***33 Income tax**

Income tax expense in the statement of profit and loss consists of:

Statement of profit or loss	For the year ended	
	March 31, 2019	March 31, 2018
Current income tax:		
In respect of the current period	-	9.80
<b>Deferred tax</b>		
In respect of the current period (credit)	56.49	17.13
<b>Income tax expense reported in the statement of profit or loss</b>	<b>56.49</b>	<b>26.93</b>
<b>Income tax recognised in other comprehensive income</b>		
- Deferred tax arising on income and expense recognised in other comprehensive income	-	-
<b>Total</b>	<b>56.49</b>	<b>26.93</b>

The reconciliation between the provision of income tax of the Company and amounts computed by applying the Indian statutory income tax rate to profit before taxes is as follows:

	For the year ended	
	March 31, 2019	March 31, 2018
Loss before tax	(4,444.09)	(43,671.68)
Enacted income tax rate in India	26.00%	25.75%
Computed expected tax expense	(1,155.46)	(11,245.46)
<b>Effect of:</b>		
Loss on which deferred tax asset not recognized	1,155.46	11,245.46
Expenses disallowed for tax purpose		
Others		
<b>Total income tax expense (credit)</b>	<b>-</b>	<b>-</b>

**Deferred tax**

Deferred tax relates to the following:

	Balance sheet		Statement of profit and loss	
	As at		For the year ended	
	March 31, 2019	March 31, 2018	March 31, 2019	March 31, 2018
Property, plant and equipment	568.70	625.43	(56.73)	(16.85)
<b>Net deferred tax (charge)</b>			<b>(56.73)</b>	<b>(16.85)</b>
<b>Net deferred tax assets/ (liabilities)</b>	<b>568.70</b>	<b>625.43</b>		

**34 Financial instruments**

The carrying value and fair value of financial instruments by categories are as below:

Financial assets	Carrying value	
	March 31, 2019	March 31, 2018
<b>Fair value through profit and loss</b>		
Investment in equity shares (*)	914.15	4,612.34
<b>Amortised cost</b>		
Loans and advances (^)	630.32	463.90

Others advances (^)	896.31	887.54
<b>Total assets</b>	<b>4,549.46</b>	<b>8,045.78</b>
<b>Financial liabilities</b>		
<b>Amortised cost</b>		
Borrowings (^)	1,714.51	980.10
Trade and other payables (^)	974.00	743.58
Other financial liabilities (^)	2,718.26	2,475.84
<b>Total liabilities</b>	<b>5,406.77</b>	<b>4,199.52</b>

**Fair value hierarchy**

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

(\*) The fair value of these investment in equity shares are calculated based on discounted cash flow approach for un-

(^) The carrying value of these accounts are considered to be the same as their fair value, due to their short term

**KSS LIMITED (Formerly known as K SERA SERA LIMITED)****Notes to the consolidated financial statements for the year ended March 31, 2019**

(All amounts in INR lakhs, unless otherwise stated)

**35 Financial risk management**

The Company has exposure to following risks arising from financial instruments-

- credit risk
- market risk
- liquidity risk

**(a) Risk management framework**

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

**(b) Credit risk**

Credit risk is the risk that counter party will not meet its obligations under a financial instruments or customer contract leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) from its financing activities including deposits with banks and investment in quoted and un-quoted equity instruments.

**i) Trade and other receivables:**

Credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored.

The impairment analysis is performed at each reporting date on an individual basis for major customers. In addition, a large number of minor receivables are grouped into homogeneous groups and assessed for impairment collectively. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company does not hold collateral as security.

**Expected credit loss (ECL) assessment for corporate customers as at 31 March 2020**

The Company allocates each exposure to a credit risk grade based on a variety of data that is determined to be predictive of the risk of loss (including but not limited to past payment history, security by way of deposits, external ratings, audited financial statements, management accounts and cash flow projections and available press information about customers) and applying experienced credit judgement.

**ii) Other financial assets and deposits with banks:**

Credit risk on cash and cash equivalent is limited as (including bank balances, fixed deposits and margin money with banks) the Company generally transacts with banks with high credit ratings assigned by international and domestic credit rating agencies.

**(c) Market Risk****Equity price risk**

The Company is exposed to equity price risk from investments in equity securities measured at fair value through profit and loss. The Management monitors the proportion of equity securities in its investment portfolio based on market indices and based on company performance for un-quoted equity instruments. Material investments within the portfolio are managed on an individual basis and all buy and sell decisions are approved by the Board of Directors. Further, major investments in un-quoted equity instruments are strategic in nature and hence invested for long-term purpose.

**Interest rate risk**

Interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to its short term borrowings in nature of working capital loans, which carry floating interest rates. Accordingly, the Company's risk of changes in interest rates relates primarily to the Company's debt obligations with floating interest rates.

**KSS LIMITED (Formerly known as K SERA SERA LIMITED)****Notes to the consolidated financial statements for the year ended March 31, 2019**

(All amounts in INR lakhs, unless otherwise stated)

**(d) Liquidity Risk**

Liquidity is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing the liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The Company believes that the cash and cash equivalents is sufficient to meet its current requirements. Accordingly no liquidity risk is perceived.

**Exposure to liquidity risk**

The table below details the Company's remaining contractual maturity for its non-derivative financial liabilities. The contractual cash flows reflect the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

Particulars	Carrying value	Contractual cash flows			
		Total	On demand	< 1 Yr	>1 Yr
<b>31 March 2019</b>					
Borrowings	1,714.51	1,714.51		1,714.51

	<b>4,199.52</b>	<b>4,199.52</b>	<b>3,219.42</b>	<b>980.10</b>	-

**36 Capital management**

The Company's objective is to maintain a strong capital base to ensure sustained growth in business and to maximise the shareholders value. The Capital Management focusses to maintain an optimal structure that balances growth and maximizes shareholder value.

The Company's adjusted net debt to equity ratio is analysed as follows:

Particulars	31 March 2019	31 March 2018
Total equity (A)	<b>10,412.92</b>	<b>8,458.71</b>
Total borrowings (B)	<b>1,714.51</b>	<b>980.10</b>
<b>Total capital (C)= (A) +(B)</b>		
Total loans and borrowings as a percentage of total capital (B/C)	14.14%	10.38%
Total equity as a percentage of total capital (A/C)	85.86%	89.62%

## OVERVIEW AND NOTES TO FINANCIAL STATEMENTS

### 1. OVERVIEW

KSS Limited (BSE Scrip Code: 532071; NSE Scrip Code KSERASERA) is a global player within the Indian media and entertainment.

KSS Limited ('K Sera Sera Limited' or 'the Company') along with its wholly owned subsidiaries K Sera Sera Miniplex Limited ("KSS Miniplex"), K Sera Sera Digital Cinema Limited ("KSS Digital"), K Sera Sera Box Office Private Limited ("KSS Box Office") Birla Gold and Precious Metals Ltd, Birla Jewels Ltd., and step down subsidiaries Cherish Gold Private Limited, KSS Speed Technology Private Limited, is the most diversified media company. The Company through its subsidiaries and step- down subsidiaries is into the business of Miniplexes, Digital Cinema and Online Trading in Gold & Jewellery, Project Consultancy and General Trading (UAE).

### 2. BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements of the company have been prepared in accordance with the applicable requirements of the Companies Act 2013 and comply in all material aspects with the Indian Accounting Standards (hereinafter referred to as 'IND AS') as notified by ministry of corporate affairs in pursuant to section 133 of Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules 2016, The Companies (Indian Accounting Standards) Rules, 2017 and other relevant provisions of the Companies Act, 2013.

Accounting policy have been consistently applied except where a newly – issued accounting standard is initially adopted or a revision to an existing accounting Standard requires a change in the Accounting Policy hitherto in use.

The standalone financial statements are presented in INR (₹) and all the values are rounded off to the nearest lakhs (INR100,000) except when otherwise indicated.

#### 2.01 Summary of significant accounting policies

##### (A) Current versus non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (not exceeding twelve months) and other criteria set out in the Schedule III to the Act.

##### (B) Significant accounting, judgments, estimates and assumptions

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/materialized. The said estimates are based on the facts and events, that

existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

#### Investment in equity shares:

The Company is exposed to equity price risk from investments in equity securities measured at fair value through profit and loss. The Management monitors the proportion of equity securities in its investment portfolio based on market indices. Material investments within the portfolio are managed on an individual basis and all buy and sell decisions are approved by the Board of Directors.

#### Impairment of non-financial assets

Impairment exists when the carrying value of an asset or cash generating unit ("CGU") exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a discounted cash flow ("DCF") model. The cash flows are derived from the budget for future years and do not include restructuring activities that the Company is not yet committed to or significant future investments that will enhance the asset's performance of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the growth rate used for extrapolation purposes.

#### Impairment of financial assets

The Company assesses impairment of financial assets ('Financial instruments') and recognises expected credit losses in accordance with Ind AS 109. The Company provides for impairment of trade receivables and unbilled revenue outstanding for more than 1 year from the date they are due for payment and billing respectively. The Company also assesses for impairment of financial assets on specific identification basis at each period end.

The Company provides for impairment of investment in subsidiaries. Impairment exists when there is a diminution in value of the investment and the recoverable value of such investment is lower than the carrying value of such investment.

#### (C) Principles of Consolidation

The consolidated financial statements relate to KSS Ltd. ('the Parent' or 'the company') and its subsidiaries K Sera Sera Productions FZE, K Sera Sera Box Office Private Limited, K Sera Sera Digital Cinema Limited, K Sera SeraMiniplex Limited, Birla Gold and Precious Metals Ltd, & Birla Jewels Ltd together referred to as 'the Group'. The consolidated financial statements have been prepared in accordance with the principles and procedures required for the preparation and presentation of financial statements as laid down under the accounting standards issued by the Institute of financial statements of the company and its subsidiary have been combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses after fully

eliminating intra-group balances and transactions and resulting unrealized gain/losses. The Group accounts for investments by the equity method of accounting where it is able to exercise significant influence over the operating and financial policies of the investee. The Group's share of profit/loss of associate firms is included in the profit and loss account. Inter company profits and losses have been proportionately eliminated until realized by the investor or investee.

CFS comprises the financial statements of KSS Limited and its subsidiaries as below:

Sr. No.	Name of the Company	Date of Incorporation	% of holding	Amount Invested
1.	K Sera Sera Productions FZE	19.11.2009	100%	4,994.63
2.	K Sera Sera Digital Cinema Ltd	04.06.2009	100%	2999.99
3.	K Sera Sera Box Office Pvt. Ltd.	12.06.2009	91.42%	2742.49
4.	K Sera SeraMiniplex Ltd.	02.02.2010	99.99%	2999.90
5.	Birla Gold & Precious Metals Ltd.	24.09.2001	100%	100.00
6.	Birla Jewels Ltd.	23.05.2011	100%	99.90

### **(C) Property plant and Equipment's**

Property, Plant and Equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises of purchase price inclusive of taxes etc. up to the date the asset is ready for its intended use. Depreciation is provided under written down value method at the rates and in the manner prescribed under Schedule II to the Companies Act, 2013.

### **(D) Depreciation Tangible Fixed Assets.**

Depreciation on fixed assets is calculated on a written down value method at based on the useful lives estimated by the management, or those prescribed under the Schedule II of the Companies Act, 2013, The company has used the following rates to provide depreciation on its fixed assets.

Particulars	Usefullife
Office Equipment	5 Years
Computers and laptops	6 Years
Vehicles	10 Years
Digital asset	13 Years

## (E) IntangibleAssets

Intangible Assets acquired by the Company are stated at cost less accumulated amortization less impairment loss if any (film production cost and content advances are transferred to the film and content rights at the point at which content is first exploited).

Investments in films and associated rights, including acquired rights and distribution advances in respect of completed films, are stated at cost less amortization less provision for impairment. Costs include production costs, overhead and Capitalized interest costs net of any amounts received from third party investors. A charge is made to write down the cost of completed rights over the estimated useful lives, writing off more in year one which recognizes initial income flows and then the balance over a period of up to nine years, except where the asset is not yet available for exploitation. The average life of the assets is the lesser of 10 years or the remaining life of the content rights. The amortization charge is recognized in the Statement of profit and loss within Film right costs including amortisation costs. The determination of useful life is based upon Management's judgment and includes assumptions on the timing and future estimated revenues to be generated by these assets.

Intangible assets comprising film scripts and related costs are stated at cost less amortisation less provision for impairment. The script costs are amortized over a period of 3 years on a straight-line basis and the amortisation charge is recognized in the Statement of profit and loss within Film right costs including amortisation costs. The determination of useful life is based upon Management's estimate of the period over which the Company explores the possibility of making films using the script.

Other intangible assets, which comprise internally generated and acquired software used within the Entity's digital, home entertainment and internal accounting activities, are stated at cost less amortisation less provision for impairment. A charge is made to write down the cost of completed rights over the estimated useful lives except where the asset is not yet available for exploitation. The average life of the assets is the lesser of 3 years or the remaining life of the asset. The amortisation charge is recognized in the Statement of profit and loss.

The company has used the following rates to provide depreciation on its fixed assets.

Particulars	Rates of Depreciation
Research & Development	10 years

## (F) BorrowingCosts

Borrowings cost includes interest, amortisation of ancillary costs incurred in connection with the arrangement of borrowings and exchange difference arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

#### (G) Impairment of non-financial assets

For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash generating units). As a result, some assets are tested individually for impairment and some are tested at the cash generating unit level. All individual assets or cash generating units are tested for impairment whenever events or change in circumstances indicate that the carrying amount may not be recoverable.

The carrying amounts of assets are reviewed at each balance sheet date to determine if there is any indication of impairment based on external or internal factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount which represents the greater of the net selling price of assets and their 'value in use' in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL.

Life time ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider all contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the Statement of profit and loss. This amount is reflected under the head 'other expenses' in the Statement of profit and loss.

For assessing increase in credit risk and impairment loss, the Company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis

#### (H) Impairment of financial assets

In accordance with Ind. AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on risk exposure arising from financial assets like debt instruments measured at amortised cost e.g., trade receivables and deposits.

The Company follows 'simplified approach' for recognition of impairment loss allowance on Trade receivables or contract revenue receivables. The application of simplified approach does not require the Company to track changes Purchase price is assigned using a weighted average basis. Net realizable value is defined as anticipated selling price or anticipated revenue less cost to completion.

#### (I) Investments in subsidiaries, Associates and Joint Ventures:

Investments in subsidiaries, associates and joint ventures are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiaries, associates and joint venture, the difference between net disposal proceeds and the carrying amounts are recognized in the statement of profit and loss.

#### (J) Inventories

Inventories comprise of traded goods, stores and spares are valued at cost or at net realizable value whichever is lower. Cost of traded goods, stores and spares is determined on weighted average basis. Stores and spares, which do not meet the definition of property, plant and equipment, are accounted as inventories. Net realizable value is the estimated selling price in the ordinary course of business and estimated costs necessary to make the sale.

#### (K) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

##### *i. In house production of motion pictures*

Revenue on assignment of distribution rights of motion pictures to third parties is recognized on the date of Release/exhibition of the motion picture. Overflow from the distributors is accounted for as and when due or on receipt basis in case of uncertainty in collection. Revenue from outright sale of motion pictures is recognized on the date of agreement to sell the rights.

##### *ii. Distribution of motion pictures produced by third parties*

Revenue is recognized based on ticket sales on exhibition of the motion pictures at the exhibition centers.

##### *iii. Other rights*

Revenue from other rights of motion pictures such as satellite rights, overseas rights, music rights, video rights, etc. is recognized on the date of execution of the agreement to assign these rights for exploitation or the release of the movie whichever is earlier.

iv. Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head “other income” in the statement of profit and loss.

v. Digital Cinema:

- Virtual print fees (VPF) received from distributors of the films from D-Cinema and E-Cinema is recognized in the period in which the services are rendered
- Advertisement income is recognized in the period during which advertisement is displayed.
- Income from digitization charges is recognized on rendering of services.
- Revenue from sale of goods is recognized when the significant risks and rewards of ownership of the goods have been passed to the buyer. Sales are recorded net of returns, trade discounts, and value added tax. The Group recognizes revenue from sales of equipment, traded goods and spares as and when these are dispatched/issued to customers

vi. Miniplex:

- Income from ticket collection
- Revenue from ticket collection is recognized as per DCR (daily collection Report) of all screens available. Revenue from ticket sale is recognized on receipts basis

Other Incomes

Revenue from Advertisement is recognized as and when such advertisement shown on screen. And revenue from food court collection is recognized as and when food and beverages are sold.

vii. Birla Jewels:

i. Income from sale of Gold/Jewelry

Revenue from sale of gold/jewelry is recognized when significant risk and reward incidental of the goods is transferred to the customers, It can be reliably measured and it is reasonable to expect ultimate collection. Revenue from operations includes sale of goods, services adjusted for discounts net of taxes and goods return.

ii. Other Incomes

Revenue from Advertisement is recognized as and when such advertisement shown on screen. And revenue from food court collection is recognized as and when food and beverages are sold.

Dividend income is accounted for on receipt basis.

viii. Birla Gold and Precious Metals:

Company business modal and revenue recognition policies are briefly described as under as per explanation and information given by the management:

The company proposes to present to end customers the flexibility to purchase and accumulate fractional amount of gold, rather than spending large sums of money to purchase it in one go, hence it introduced a physically backed Gold purchase plan named “Cherish Gold Plan-(CGP)” (formerly known as “Birla Gold Savings Plan”). With this plan, the company shall entail the

purchase of gold based on the daily averaging methodology through payment in installments, which shall give an opportunity to the general public to buy and accumulate gold. The Gold shall be sold to the customer on an outright basis and daily sales basis.

Customer is free to purchase as much as gold, at any time as he may so desire. The Customer shall purchase the gold with a plan of 11 Months and shall have the option to close the account subject to the pre-maturity charges levied as per the terms and conditions of the plan. The Customer has full access to their account detailing daily gold accumulations, price at which gold is purchased daily, total gold gram accumulated, money yet remaining to be utilized in gold purchase etc.

So as per the business modal and nature of business plan revenue is recognized on daily basis even though the reasonable risks and rewards incidental to the ownership are not transferred to the customer. Revenue from operations includes sale of goods, services adjusted for discounts net of taxes and goods return

#### (L) Taxes

Tax expense comprises of current and deferred tax.

##### Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities in accordance with the Income-tax Act, 1961. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside profit and loss is recognised outside profit and loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate. Tax liability under Minimum Alternate Tax ("MAT") is considered as current tax. MAT entitlement is considered as deferred tax.

Minimum Alternative Tax ("MAT") credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

##### Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

**KSS LIMITED**

Any exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were initially recorded are recognized in the Statement of profit and loss in the period in which they arise. Non-monetary items carried at fair value that are denominated in foreign currencies are translated at rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

The Company's functional currency and the presentation currency is same i.e. Indian Rupees

#### (N) Retirement and Other Employee Benefits

Company doesn't have any employee who has completed 5 year of continues services for provision for gratuity and other benefits. And Contributions payable by the Company to the concerned government authorities in respect of provident fund, family pension fund and employee state insurance are charged to the profit and loss account if any.

#### (O) Segment reporting

##### a) Identification of segments

The company's consolidated business activity falls four primaries segment the disclosure requirements of Indian Accounting Standard ('Ind AS-108'). The company's operating businesses are organized and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the company operate.

Inter-segment transfers the company generally accounts for intersegment sales and transfers at cost plus appropriate margins.

##### Allocation of common costs

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

##### Unallocated items

Unallocated items include general corporate income and expense items which are not allocated to any business segment.

##### Segment accounting policies

The company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the company as a whole.

S. No.	SEGMENT INFORMATION	Year Ended 31.03.2020	Year Ended 31.03.2019

#### (P) Provisions

##### Recognition of Provision:

A provision is recognized when the company has i) a present obligation as a result of past event, ii) it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and iii) a reliable estimate can be made of the amount of the obligation. Where the effect of the time value of money is material, the amount of provision shall be the present value of the expenditures expected to be required to settle the obligation. Provisions shall be reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of resources embodying economic benefits will be required to settle the obligation, the provision shall be reversed.

Where the company expects some or all of a provision to be reimbursed, for example under insurance contract, the reimbursement is recognized as a separate asset but only when the reimbursement is virtually certain. The expense relating to any provision is presented in the statement of profit and loss net of any Reimbursement .

#### (Q) Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

#### (R) Earnings per share

The basic earnings per equity share are computed by dividing the net profit attributable to the equity shareholders for the reporting period by the weighted average number of equity shares outstanding during the reporting period.

The number of shares used in computing diluted earnings per share comprises the weighted average number of shares considered for deriving basic earnings per share and also the weighted average number of equity shares, which may be issued on the conversion of all dilutive potential shares, unless the results would be anti-dilutive.

The earnings per share are calculated as under:

Particulars	31-Mar-19	31-Mar-18
Net profit/(loss) after tax for the year	(4,490.27)	(43,688.55)
Equity shares outstanding as the year end	21,358.75	21,358.75
Nominal value per share (Rs.)	1	1
Earnings per share		
- Basic	(0.21)	(2.05)
- Diluted	(0.21)	(2.05)

#### (S) Leases

Where the Company is the lessee

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

Where the Company is the lessor

Assets subject to operating leases are included in property plant and equipment. Lease income on an operating income is recognized in the statement of profit and loss on a straight-line basis over the lease term. Costs, including depreciation are recognized as an expense in the statement of profit and loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognized immediately in the statement of profit and loss.

#### (T) Related Party Transaction

As per Indian accounting standard on Related Party Disclosure (IND AS-24) as notified by the Companies (Indian Accounting Standard) Rules, 2015 the names of the related parties of the Company are as follows:

Step down subsidiaries/Limited Liability Partnerships

KSS Speed Technology Private Limited

Cherish Gold Private Limited

K Sera Sera Holding PTY Limited

K Kampus Education Pvt. Ltd.

Chhotu Maharaj Food And Hospitality Pvt. Ltd.

(U)Fair value measurement

The company measures financial instrument such as investments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability- or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1- Quoted (unadjusted) market price in active markets for identical assets or liabilities
- Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

Currently company carries those instruments in level 1 inputs of the above mentioned fair value hierarchy.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

#### (V) Financial instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

##### i. Financial assets

Initial recognition and measurement

**KSS LIMITED**

## Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three broad categories:

- Debt instruments assets at amortised cost
  - Equity instruments measured at fair value through profit or loss (FVTPL)
- When assets are measured at fair value, gains and losses are either recognised entirely in the statement of profit and loss (i.e. fair value through profit and loss), or recognised in other comprehensive income (i.e. fair value through other comprehensive income).

## Debt instruments at amortised cost

A debt instrument is measured at amortized cost (net of any write down for impairment) if both the following conditions are met:

- the asset is held to collect the contractual cash flows (rather than to sell the instrument prior to its Contractual maturity to realize its fair value changes), and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (“SPPI”) on the principal amount outstanding.

Such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit and loss. The losses arising from impairment are recognised in the statement of profit and loss. This category generally applies to trade and other receivables

## Financial assets at fair value through OCI (FVTOCI)

A financial asset that meets the following two conditions is measured at fair value through OCI unless the assets designated at fair value through profit and loss under fair value option.

- The financial asset is held both to collect contractual cash flows and to sell.
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in OCI. However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to Profit and Loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

## Financial assets at fair value through profit and loss

FVTPL is a residual category for company's investment instruments. Any instruments which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

All investments included within the FVTPL category are measured at fair value with all changes recognized in the Profit and Loss

In addition, the company may elect to designate an instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

#### Equity investments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The

Company has not made any such election. This classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVOCI, then all fair value changes on the

Instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment; However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

#### Derecognition

When the Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; It evaluates if and to what extent it has retained the risks and rewards of ownership.

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised when:

- The rights to receive cash flows from the asset have expired
- ,or
- Based on above evaluation, either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognisesan

associated liability. The transferred asset and the associated liability are measured on a bases that reflect the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

#### Impairment of financial assets

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. IND AS 109 ('financial instruments') requires expected credit losses to be measured through a loss allowance. The Company recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

#### ii. Financial liabilities

##### Initial recognition and measurement

Financial liabilities are classified, at initial recognition as financial liabilities at fair value through profit and loss or at amortised cost, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings, net of directly attributable transaction costs.

The Company's financial liabilities include trade payables, lease obligations, and other payables.

##### Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

##### Financial liabilities at amortised cost

After initial recognition, interest-bearing loans and borrowings and other payable are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit and loss when the liabilities are derecognized as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fess or cost that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit & loss.

##### Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability

and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

### iii. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

### iv. Reclassification of financial assets

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

### (W) Recent accounting pronouncements

Appendix B to IND AS 21, Foreign currency transactions and advance consideration: On March 28, 2018, the Ministry of Corporate Affairs ('the MCA') notified the Companies (Indian Accounting Standards) Amendment Rule, 2018 containing Appendix B to IND AS 21, Foreign currency transactions and advance consideration which clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, which an entity has received or paid advance consideration in foreign currency.

The amendment will come into force from April 1, 2019, The Company has evaluated the effect of this on the financial statements and the same is not applicable to the Company.

IND AS 115, Revenue from Contract with Customers: On March 28, 2018, the MCA notified the IND AS 115.

The core principle of the new standard is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Further, the new standard requires enhanced disclosures about the nature, amount, timing, and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

The standard permits two possible methods of transaction:

- Retrospective approach: Under this approach the standard will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8, Accounting, Policies, Changes in Accounting Estimates and Errors.
- Retrospectively with cumulative effect of initially applying the standard recognized at the date of initial application (cumulative catch-up approach)

The effective date for adoption of Ind AS 115 is financial period beginning on or after April, 1, 2019. The company will adopt the standard on April 1, 2019 by using the cumulative catch-up transaction method and accordingly, comparatives for the year ending March 31, 2020 will not be retrospectively adjusted. The effect on adoption of Ind AS 115 is expected to be very insignificant.

### 30. CONTINGENT LIABILITIES

d) A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

The Maharashtra Government had issued a notification on August 30, 2005, as per which entities leasing copyrights of cinematographic films are required to pay value added tax (VAT) @ 4% retrospectively wef. May 1, 2000. Subsequently, upon the representation of 'The Cinematograph Exhibitor's Association of India' ('The Association'), the levy of the said tax was waived for the period May 1, 2000 to March 31, 2005. The revised notification extending similar relief up to the period commencing from April 1, 2005 is being pursued by the association. The Company, in line with the view taken by the Industry, is of the opinion that VAT is not applicable to the activities carried by the Company and has also taken a legal opinion in this regard. The Company has also not received any demand notice from the VAT authorities. As a matter of prudence, the Company has made ad hoc payments of Rs 15.00 Lacs under protest, and 16.70 lacs against the demand which is disclosed under 'Loans and Advances'.

Demand of Rs 1035.05 Lacs including the interest and penalty under MVAT. In line with film industry consensus, the Company is of the opinion that there are no grounds for levying VAT. Based on legal Opinion obtained; the company is of the view that said demand contesting. Hence, no provision has been considered by the management in these financial statements. Our opinion is not qualified in respect of this matter

Having regard to the above facts, the Company does not expect any liability on this account. In line with film industry consensus, the Company is of the opinion that there are no grounds for levying VAT on film distribution activity and hence no provision is made in the books of accounts for these years. The same is disclosed as contingent liability under Notes to Accounts.

e) The company, having IEC number 0306007649, export rights of several films produced by them and/or for which, the distribution rights were purchased/ acquired by them in the past. By exporting distribution rights of the films in the territories abroad, KSS did import of various capital goods including 400 digital cinematographic projectors under EPCG Scheme – concessional rate of duty 3% with the proper compliances. Under EPCG Scheme company have to export eight times (Approx. 4,500.00 lacs) of duty saved within eight years, but till date company did not export under the said obligation. Company imports various digital cinema equipments

under the 9(nine) licenses and duty saved 550.81 Lacs and expiry of said license between September 2019 to August 2020.

Demand of Rs 734.06 Lacs excluding interest and penalty under section 142 of the Custom Act 1962. Custom department freeze/attached the various assets and bank accounts against the said recovery. Based on legal Opinion obtained, the company is of the view that said demand contesting. Hence, no provision has been considered by the management in these financial statements. Our opinion is not qualified in respect of this matter. The security deposit (Custom) Rs 190.10 Lacs shown total cost of the assets and account freeze by the custom department, against the Recovery of Government dues under section 142 of the Custom Act 1962 Rs. 734.06 Lacs excluding interest and penalties.
